about

In April of 2024 a number of men representing churches from 3 different states gathered at Pinecrest Baptist Church in Corinth, MS, to discuss a loosely framed preaching conference in this region of the country. The idea is born in response to diminishing numbers of churches, and seemingly decreasing influences in many local communities. Those in attendance selected Bro. Jeff Haney, Pastor of Pinecrest Baptist Church in Corinth, MS; Bro. Terry Romine, Pastor of Hopewell Baptist Church in Cunningham, TN; and Bro. David Gregg Pastor of Florence Boulevard Baptist Church in Florence, AL, to serve as a “program committee” of sorts to set an agenda, invite guests, choose topics, and put together an inaugural meeting. Those in attendance selected Pinecrest to be the host church for this first conference, and the church accepted. This is a first. The mode of operation is much like the “business meetings” at a church camp. Whoever participates will select a program committee, choose a host church, and set a date for the following year. The conference was born with Mississippi, Alabama, and Tennessee in mind. However, it is open to any of our brethren who would like to participate from other states of our National Association as well. **Each represented church is asked to bring an offering to help cover the expenses. The host church sponsors the event with offerings being given to offset those. If the offerings are greater than the host church expenses, the excess funds will be turned over to the succeeding years host church.** For any questions, feel free to contact:
